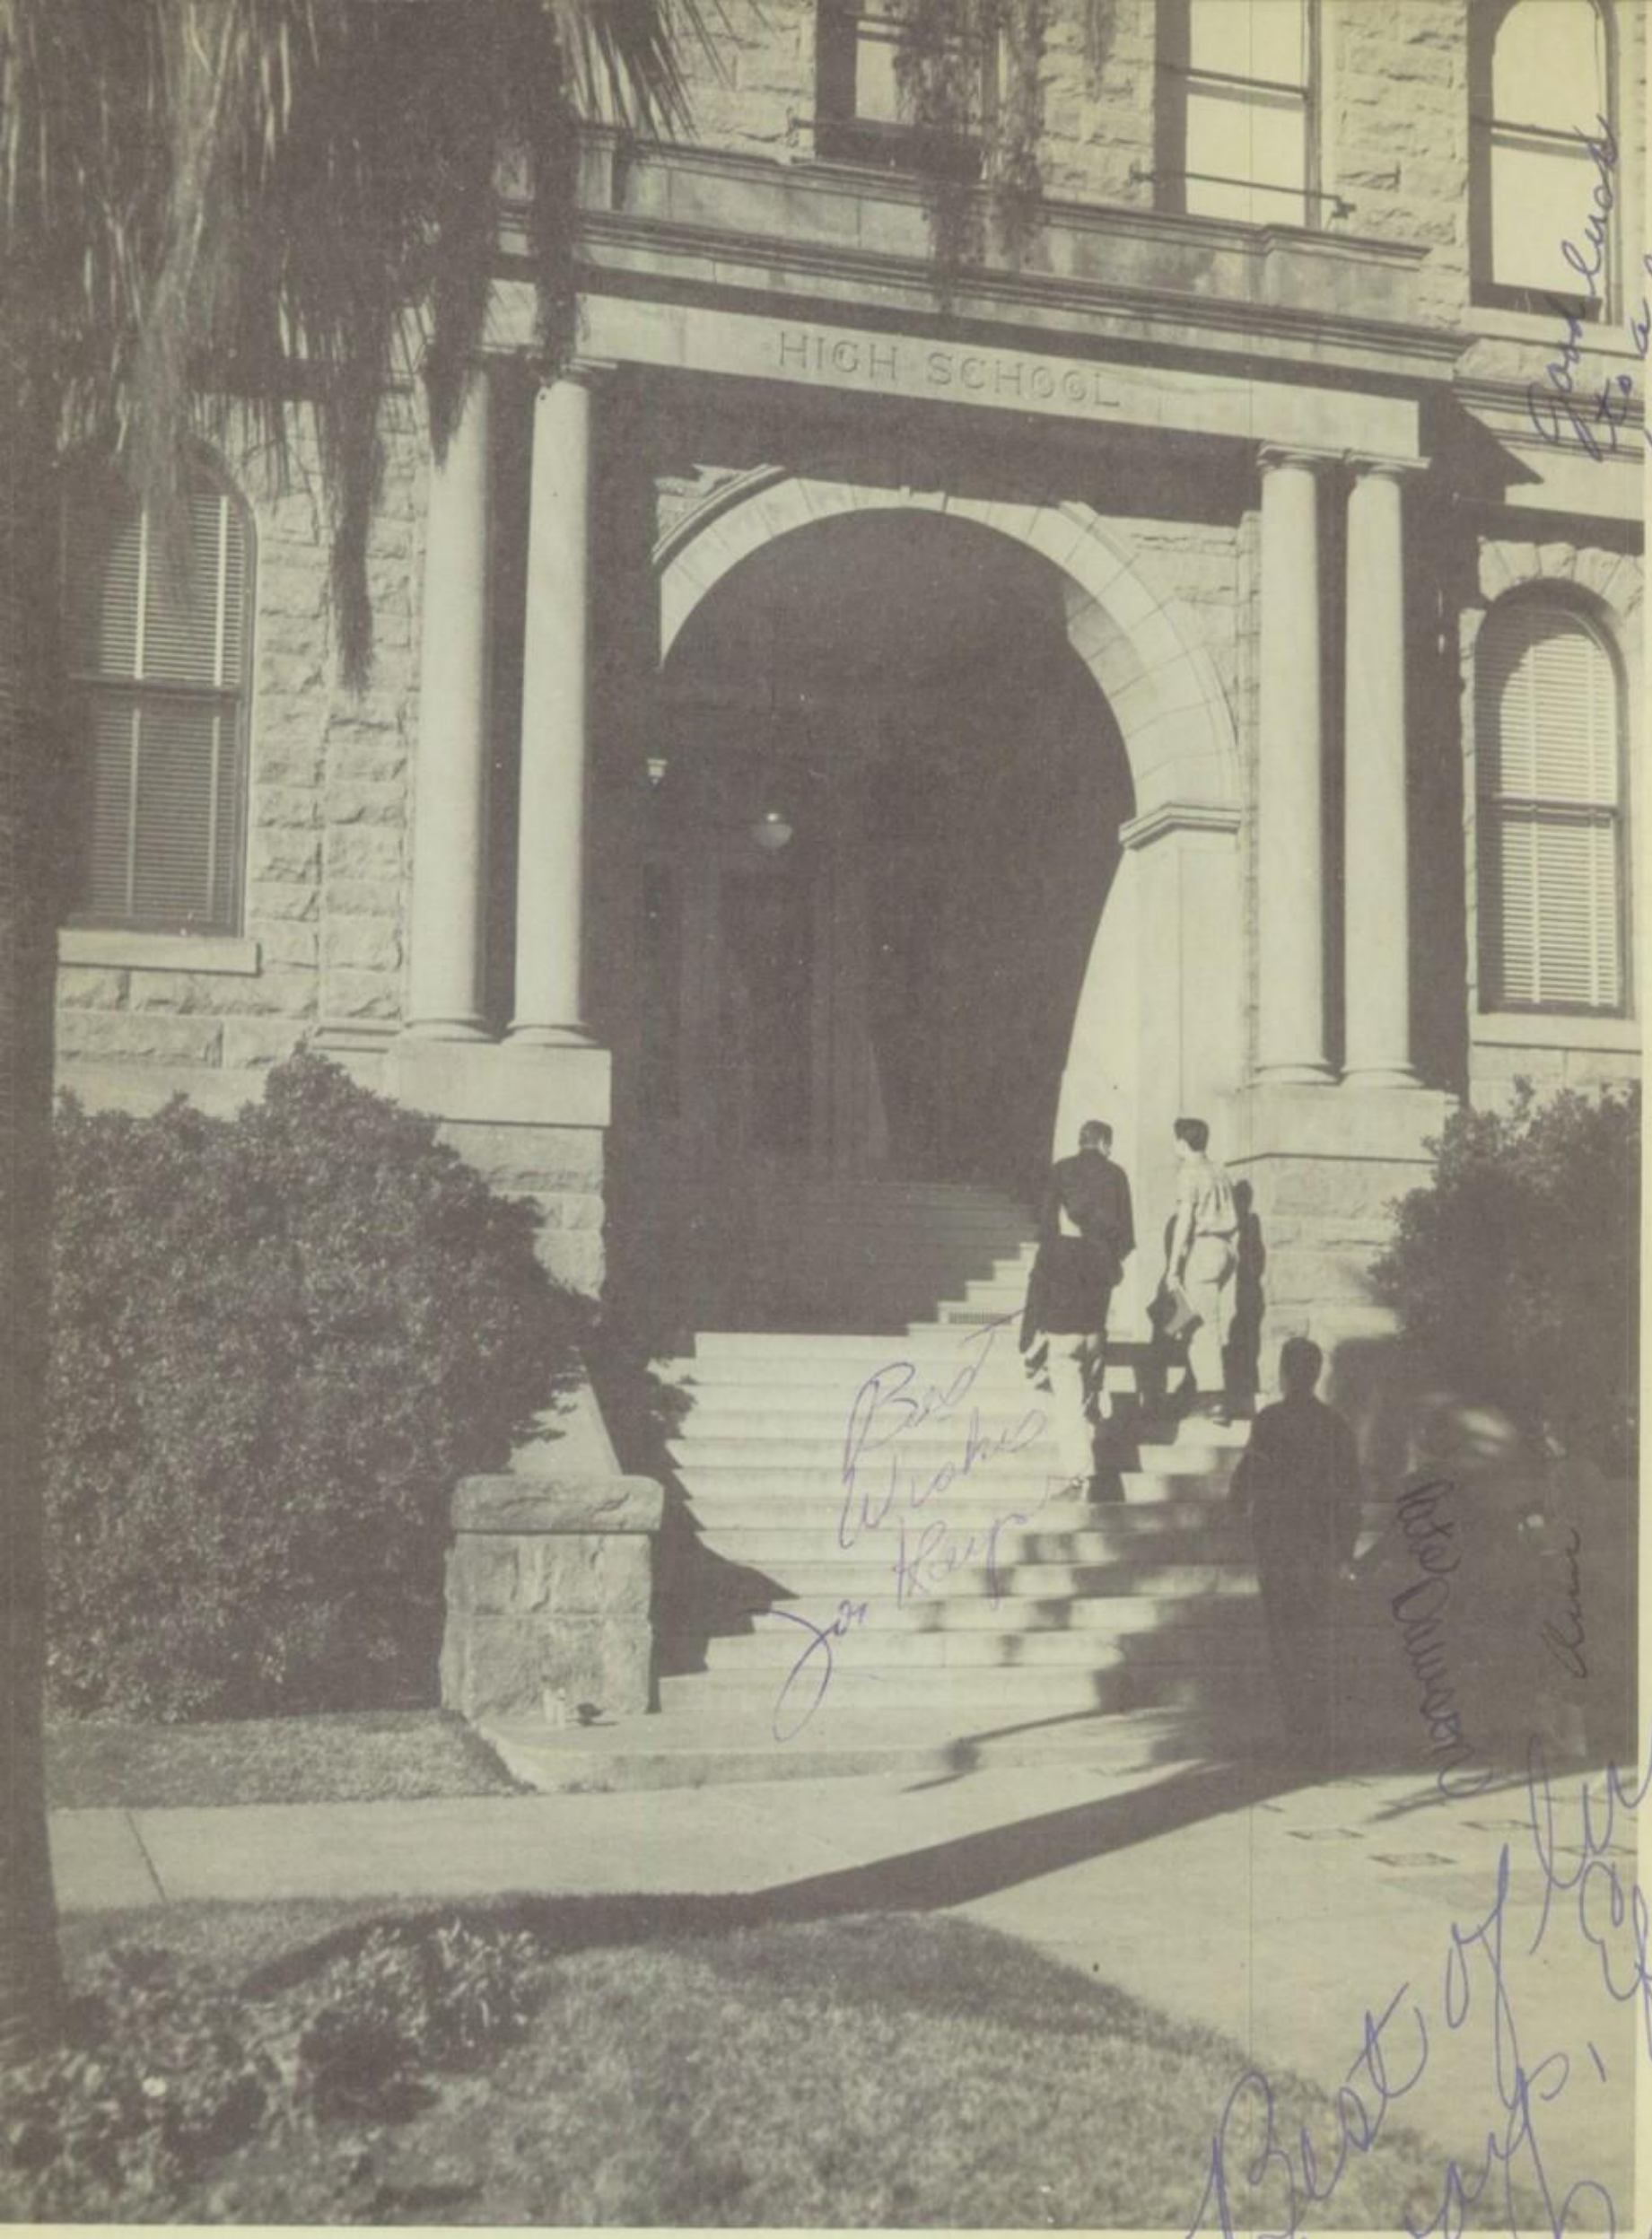
MEMORIES



THEMES & DOORS

Stockton High School Memories of 1951

Stockton High School, Stockton, California

DEDICATION

To the spirit of Tarzan . . . , to the rugged, resourceful, humble men who have fought gloriously under that name in the last thirty years of Stockton High's history, this 1951 edition of Stockton High Memories is dedicated.

Men of action, men of character, are symbolized in the name. Students of Stockton High, in celebrating Tarzan's return to this campus after a two year absence, are aware of the noble qualities which the Tarzan tradition conveys. Many are inspired by the long record of accomplishments, in scholarship and in athletics, amassed around the Tarzan ideal by past generations of Stocktonians.

The fictional character created by Edgar Rice Burroughs is very much alive today, and appears in our everyday life as the strong man who champions the cause of the just and the less fortunate. It is that Tarzan with whom Stocktonians are identified; it is indeed a challenge to prove ourselves worthy of the name.

THEME

Because doorways are portals to experience in learning at Stockton High, and, as they are likened in our minds to the fateful gates of opportunity, we have selected them as the theme of Stockton High's Memories of 1951. Doorways lead to many of our future careers. As a doorway to higher education Stockton High School performs a vital service to the community and to the College of the Pacific, celebrating its one hundredth anniversary this year. In another sense, the gateway to success is the education and social experiences obtained in high school; as citizens of the last half of the twentieth century, may we open the doors which will lead to a happy, and complete life.

DOORWAYS TO THE FUTURE

Here's to you and all the happiness possible
Natalie Allen

To a very nice girl
Ben Estes

Lots of luck to this girl that deserves lots of the good things. Sincerely, Jordan Harwood

Lots of luck
To a swell
Kid
Lou Sparrenberger

all sorts of luck
to a Dann Swell
girl
I Avid Hutts

TARZANS DEFEND FREEDOM

Among the men fighting for America on battlefronts across the sea are former Stockton High students, alumni of Tarzan. Those soldiers, sailors, marines, and airmen who are fighting for the cause of justice and democracy in foreign lands are defending the same principles for which Tarzan is a symbol, and are, in some instances, doing so with their lives. Those Tarzans are the best examples we have of courage, will-power, and determination. There, thousands of miles from Stockton High, men are putting into effect lessons learned here so that we may continue to live in a free world.

Best of luck
to a swell gal.
Hope everything
turns out O.K. for
you & a certain
guy. Lots of
fun at the dance
Ha! Love & Luck
Joni Pete

Faculty

THE 1950-1951 YEAR AT STOCKTON HIGH

To those who pass through the portals of Stockton High as graduates of January and June, 1951, the uncharted future lies beyond . . . an invitation and a challenge. If the graduates have made good use of their time at Stockton High, those portals will serve as a gateway to a promising future. After graduation, the habits and skills developed here will form that future; may it be a bright one for all.

The year 1950 - 1951 has been rich in activities for Stockton High graduates. Four term plays, many colorful assemblies, a variety show, a fun fest, and several dances, parties, and picnics were held. In sports, the Stockton Tarzans won the middle-four championship in basketball (varsity and junior varsity), and in track (class "B"). In football and baseball the Tarzans made an outstanding record in this third year under the 6-4-4 plan. Swimming and tennis teams were also formed.

With the close of the school year came the retirement of Mrs. Mary Cripps, dean of girls, and for many years head of counseling and guidance at Stockton High. A friend and guide to many classes of the past, Mary Cripps has earned the respect and admiration of students, teachers, and fellow administrators.

Also retiring in the 1950 - 1951 year was Mr. J. M. Lewis, teacher of agriculture here for many years, and known and loved by more than one generation of Stocktonians.

A word of praise is also tended Mr. David Janeiro, head custodian, who is leaving for a deserved promotion to Stockton College. Mr. Meyer and Mr. Bahnsen of the faculty, are saluted as well, for their voluntary return to service in our armed forces.

Stockton High students and alumni mourned the loss of Miss Marjorie Pease, popular mathematics teacher, in February, 1951.

CLUB ACTIVITIES

Stockton High has had a long tradition of club activities; in the past three years as a 7-10 high school, club life has been conducted in a wide variety of interests, and has played an important part in on-campus society.

Three of the SHS clubs are honor groups: honor won for the school in scholarship or sports. The boys' Block "S" Society pays tribute to outstanding athletic achievement, while the Old English "S" society is made up of girls prominent in sports and school service. Honor "S" is the scholarship society, and qualification for membership is a semester grade of 2 B's and 3 A's.

Service Clubs at Stockton are active daily in the operation of the school plant. The Secretary Club members assist the workers in the attendance and business office. The Library Club, Photography Club, Assembly Stage Crew, Audio-Visual Operators' Club, Band Club, have similar functions in their assigned areas. The Student Control keeps order on the campus, and is assisted in this task by the Traffic Club, Hall Club, Yard Club, Auditorium Club, and Gym Monitors' Club.

Clubs serving special interests are numerous on the SHS campus. Such groups include the following: French Club, Key Club, Draftineers, 7-8 Glee Club, Press Club, Girls' Athletic Association, Junior Red Cross, Chess Club, Round Table Club, Commercial Art Club, Tri-Petite Chretiennes, and Falcon and Stallion Hi-Y.

TARZAN FOOTBALL REVIEW

Season of 1950

Despite the fact that the Tarzan footballers lost their traditional football game to the Edison Vikings, the season cannot be termed anything but successful. The Troglidytes (which means cave dweller in Greek) won four, tied one, and lost two games while compiling a seasonal average of sixteen and three-sevenths points per game, while their opponents' averages were only ten and five-sevenths per game. The Tarzans racked up 115 points to the combined opposition's 75. The year 1950 marked the first winning season at Stockton High since the introduction of the K-6-4-4 plan into the Stockton school system.

One great factor which contributed to the team's success was the return of the name Tarzan to the Stockton High campus. The name helped bring back some of the school spirit which seemed to be lacking in the first two years as a 7-10 high school.

Although every position on the Tarzan team was well filled, there were no terrific stars. The team ran like a well-oiled machine, and when one player was hurt, another just as good was ready to take his place. There was little difference between first and second strings.

Those gridmen who were standouts during the season include: John Curphey, Ronnie Gahn, and Richard Leary at ends; Jud Smith, Jerry Hellwig, and Freshman Dave Matheson at the tackle slots; Clark Jones, Bill Cook, and Kenneth Wolfe at guards; Frank Higham and Bill Brown, centers.

Outstanding backfield men include Halfbacks Kozo Abe, Al Avey, David Janeiro, and Vincent Cowan; Fullbarks John Yost and Doug Hauser; and Quarterbacks Bill Clemens and Paul Erickson.

The Cavemen ran from a "T" formation due to their light and speedy backs and their comparatively fast line. The first string averaged about 160 pounds in the line, and 140 in the backfield.

Coaches "Chuck" Gordet, Ken Rogers, and John Guilfoyle were pleased with the season, but thought that over-confidence and injuries cut down the team's potential.

TARZAN BASKETBALL REVIEW

Season of 1950-1951

The 1950-1951 SHS Basketball team wound up a very successful season with the coveted Middle Four League championship. The Tarzans and the Edison Vikings finished in a first place tie for the City League championship.

The Tarzans opened the league against the Franklin of Stockton Yellowjackets. The blue and white-clad hoopsters of SHS won this game 32-18. After a very slow first half which found the Tarzans leading 8-6, the Cavemen caught fire and rolled away from the smaller Yellowjackets. Jack Cheney meshed 13 points while Conny Chambers looped in 6.

In the next game against Ben Franklin of Vallejo, the Tarzans met a rough and worthy foe. Leading 15-12 at the half, SHS had its hands full trying to stay ahead of the Franklin Braves. The final score was Tarzans 36, Franklin 32. Jack Cheney was again high point man for the Tarzans with 12 tallies, while Conny Chambers followed with 9.

The Edison High Vikings were the Tarzans' next victim, bowing 34-22. The game was well played, but Edison could not seem to hit on their long shots. The Cavemen led 20-10 at half time. Jack Cheney and Rick Leary tied for high point honors, each netting 11 points.

The Tarzans next took on the St. Mary's Rams and whipped them 30-24, in a close and exciting game. The Tarzans only led 11-10 at the half, but lengthened that lead to 18-13 at the end of the third quarter. Rick Leary led the scoring for the Tarzans with 10 points, while Conny Chambers snared 8.

In the highest scoring game of the season, the Tarzans defeated the Napa Preps, 48-40. The Tarzans held a 24-17 half time lead. Leading the scoring was Conny Chambers with 15 points to Jack Cheney's 14.

The Cavemen really shifted into high gear against the Vallejo Papooses, scalping them 48-20. The Tarzans led 24-12 at the half and piled up a 34-19 lead at the end of the third quarter. Jack Cheney scored with 14 points for the Tarzans.

In the second meeting between SHS and St. Mary's the Tarzans were upset 27-20. The Rams jumped into an early lead and were never headed. The Tarzans trailed 17-13 at the half. Phil Sanguinetti meshed 6 points for the Tarzans.

The return game against Franklin of Stockton was well played, but the Tarzans out-classed the smaller Yellowjackets to the tune of 28-19. The Cavemen led 12-9 at the half. Jack Cheney netted 11 points.

In the season finale against Edison on the Edison court, the Tarzans ran into a much improved Viking team, losing 47-26. The Tarzans entered the game at a disadvantage, having two first string players sick in bed. Edison ran up an early 10 to 4 first quarter lead and had a 21 to 10 lead at the half. Jack Cheney and Dwight Doerr with 7 points, each, Rick Leary with 5, Tom Morgan with 4, and Bob Korinke with 3, did all the Tarzans' scoring.

TARZAN BASEBALL REVIEW

Season of 1951

With two vital games left to play in the 1951 season, the Stockton High baseball team has won three games and lost three.

The Tarzans proved successful in beating their cross-town rivals, Edison, twice: 8 to 5 and 5 to 4. They divided with St. Mary's, winning one 15 to 8 and losing one 14 to 4. The Cavemen lost to Franklin of Stockton, 7 to 1, and to Franklin of Vallejo, 8 to 7. Games left on the schedule are Vallejo High (at Vallejo), and Franklin of Stockton (at El Dorado).

The team looked good in all departments in their winning efforts, but the pitching as a whole was inconsistent. The main burden fell on Anthony Mattioli, who came through with two good performances, both against the cross-town rival, Edison. Phil Smith backed up "Matty" in good style and received credit for one of the Edison victories in relief.

Starting the season with only three lettermen from last year's Forty-niner and Ranger nines, the Tarzans soon were molded into a smooth-working club by Coach John Guilfoyle. The veterans were: Jack Cheney, shortstop; "Sonny" (Dave) Janeiro, third base; and "Spook" (Jim) Willard, second base.

Leading batter for the season, to date, is hard-hitting Jack Cheney, with 10 hits in 22 times at bat, for a .455 batting average. Tops in the clutch was Bob Hargis, first baseman, whose 5 hits came when they were needed most. "Spook" Willard led in runs scored, crossing the plate 8 times.

Other members of the team include Jim Kenny, right fiield; Jim Reynosa, center field; Dwight Doerr, left field; Alex Linker, catcher; and Phil Sanguinetti, utility outfielder.

TARZAN SWIMMING

Since the change in the school system, Stockton High has not been able to compete in the water sports. This year, however, Stockton High has formed a swimming team, coached by Mr. Gordet.

Members of the 1951 swimming team are as follows: Herbert Thomas, David Davis, Walter Patterson, Charlie Howell, Jay Taylor, Don Smith, Tom Innes, Charles Wood, Chris Green, Glen Shellcross, Dale Swafford and Romer Derr.

Swimming the 25-yard freestyle are Walter Patterson, David Davis, and Romer Derr, who all show promise in the opinion of Mr. Gordet.

Row 1 --- John Brown, Anthony Mattioli, Clinton Waring, Raymond Silvas, David Reid
Row 2 --- Coach Guilfoyle, Ted Terzakis, Bob Wells, Don Smith, George Morelli, Bob Chinchiolo, Rayburn Collis

TARZAN TRACK

Season of 1951

The 1951 Stockton High cindermen brought back the Middle Four Class "B" Track Championship when they returned from the Napa meet, May 1. The Tarzans defeated the other five schools in the meet easily with the exception of Napa, which finished with only three points less than SHS. The final score was SHS 55½, Napa 52½, Edison 9½, Vallejo 7, Franklin of Vallejo 6½, Franklin of Stockton 0.

The Tarzans' first meet was against Edison on March 14. Linden was also entered in the meet. The SHS team then suffered its first and only loss: Edison beat them 53 to 52½. Some outstanding Tarzans : Ron Reycraft, who won the 100- and 220-yard dashes; Wes Massey, who won the 1320; Jack Cheney, who won the 880, and Bob Pehl, who tied for first in the pole vault.

The Tarzans' second meet on April 9 was a dual with Edison, at Edison. This time the Tarzans were victorious, winning 56 to 48. Reycraft, Pehl, Massey, and Cheney stayed undefeated by winning their events.

On April 12 the Tarzans tangled with the Lodi Flames' "B" team. The Tarzans fanned the Flames to the tune of 63 to 41.

Stockton, Franklin of Stockton, and Edison held a triangular meet on April 21 at Edison. The first four place winners in each event went to Napa to compete in the Mid Four meet. The Tarzans went all out and won with 99 points to Edison's 16 and Franklin's 12.

May 1 was the big meet at Napa. Stockton had approximately 27 track men competing. The Tarzans came through with flying colors, winning six of the events. Pehl tied for first in the pole vault, with Prater of Stockton. Massey and Cheney both won their events. Other winners for SHS were Franklin, McLen, and Lyman.

Of the men who qualified to go to the Modesto relays, only Reycraft, Cheney, and Massey placed. Reycraft ran the 100 in 10.6 and the 220 in 23.5. Massey ran the 1320 in 3:30.8, while Cheney ran the 880 in 2:08. The relay team also stayed undefeated during the year.

Mr. Rogers was quoted as saying: "Those times would have won those events last year." Don Franklin was the 'iron man' of the team.

STOCKTON HIGH TRACK SCHEDULE

March 14 — Linden, Edison and Stockton High at Edison
March 17 — Stockton Relays at Edison
March 31 — Auburn Relays at Auburn
